

# CURRICULUM ENRICHMENT

Enrichment refers to giving greater meaning to a curriculum by **adding values**.

What values are we referring to?

# WHY IS ENRICHMENT IMPORTANT?

Leicester School Boy calls for Curriculum to include 'Climate Change'.

# HOW CAN I ENRICH THE CURRICULUM?

Personal  
Development

School values

Experiences Visits  
and visitors

After school clubs

Careers links

SMSC  
development

Cultural capital

Community links  
and projects

British values

Current events  
and issues

# AIMS

What does this mean for you at your school?

What DO you want from your curriculum?

How will you get there?

# THE CURRICULUM -INTENT

KNOW MORE, DO MORE, REMEMBER MORE  
AND CHOOSE TO BE MORE:

Our curriculum is not just about what is taught in lessons.

It is about .....

- learning at every opportunity throughout the day- playtimes and lunchtimes, after-school clubs, breakfast clubs, trips and visitors.
- Experiencing opportunities and challenges which develop confidence and raise aspirations
- Being prepared for the world of tomorrow and being inspired to have a voice and make a difference.

# AN ENRICHED CURRICULUM

## Reflection

- Think about the context of your school.
- What are the factors that may be a barrier to the achievement of successful outcomes in the curriculum?

Are there clear careers links within your subject?  
What are they?

What opportunities are there for these to be discussed?

<https://www.inspiringthefuture.org/primary-futures/>

## What is Primary Futures?

Primary Futures is a simple and effective way to link learning to the wider world. Developed with teachers, it connects primary schools with diverse workplace volunteers to take part in aspirations activities and talk with children about their jobs.

# MAKE A DIFFERENCE, HAVE AN IMPACT, LEAVE A LEGACY.

What are the possibilities within your subject?

# ORACY

I have a dream...

# REFLECTION

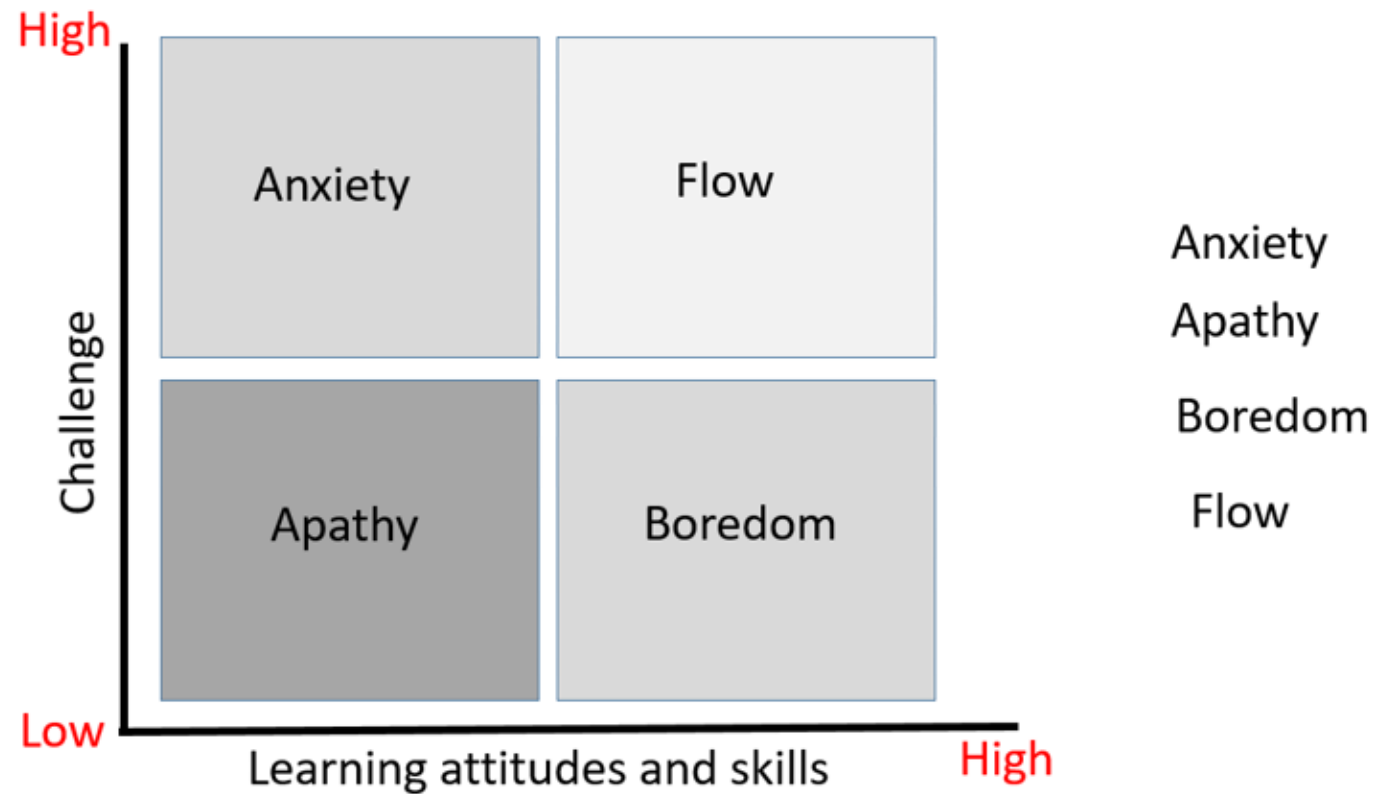

- How does your subject reflect the society that we live in?
- How does your subject reflect the community that we are a part of including the needs and issues facing that community?
- How does your subject reflect the diversity of the school?

# A BROAD AND BALANCED CURRICULUM

- **Breadth** simply means the range of opportunities/experiences you provide children to practise the same key concepts and skills.
- It means offering children an exciting curriculum with lots of engaging experiences to practise, apply and embed the same knowledge and skills.

# ENRICHMENT IS ALSO ABOUT THE 'HOW'.

## FLOW- A THEORY FOR MEANINGFUL ENGAGEMENT

- Evidence in books
- Evidence in photos-floor books.

# REFLECTION

Have a look at the photos. How is the curriculum is being enriched for the learners?

# ARE THERE OPPORTUNITIES IN YOUR SUBJECT FOR PUPILS TO DEVELOP IN THIS WAY?

- Successful enrichment programs can encourage students to perform better and keep them motivated.
- **Reflect-** are there opportunities for your subject to be taught in this way?

# Essential Skills

- Essential skills unlock learning in the classroom, boosting academic outcomes, perseverance and self belief. They halve the likelihood of being out of work, and increase earnings across a lifetime. **But access to these skills isn't fair.** And where they are missed, it undermines social mobility, productivity and wellbeing.

## Our History Journey

What reason did people have to be happy during the war?

Who is this and was his life happy?

How was his life different from life today?

How did people feel when it started?

Why were the young soldiers keen to go to war?

What life like for the soldiers?

What was life like for those back at home?

Can you imagine spending Christmas in the trenches!

# Sharing the learning journey

How did religion impact their lives?

How did the Egyptian's celebrate?

How did the Egyptians prepare for the afterlife?

How was life in Ancient Egypt different to today?

- In the distance,
- Far away,

  when the wind went ... SWISH! The wind took the Queen's hat!  

Oh No! Where is my hat? asked the Queen.  

The wind was so strong that it swept the Queen's hat to ...   Trafalguar Square and London Zoo. Look there is my hat! shouted the Queen.  

At last, the Queen and the Queen's men landed in Kensington Palace with the Queen's hat!      
I am so glad to have my hat back. said the Queen.  

"Oh No! Where is my hat?" asked the Queen.

"Look there is my hat!" shouted the Queen.

# BARRIERS TO SUCCESS?

- Where am I now?
- What does the ideal look like?
- Where would I like to be realistically?
- What are the barriers?
- What will I do?

# REFLECTION

- **What are the strengths?**
- How does your subject reflect the society that we live in?
- How does your subject reflect the community that we are a part of including the needs and issues facing that community?
- How does your subject reflect the diversity of the school?
- How does your subject reflect student interest?
- How do we enable subjects to be flexible enough to reflect the specific needs of a particular cohort?
