

EYFS TALK newsletter

Foundation 2

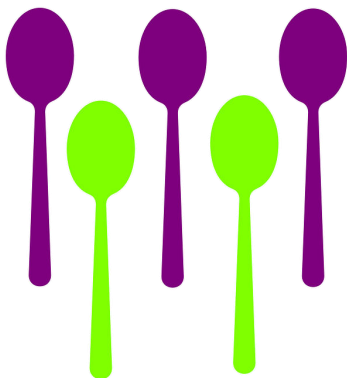

WC 7.10.24

For the next fortnight we will be looking at one of our special books, 'Owl Babies'.

We will be learning a new song called '3 baby owls'.

Maths

We have been exploring the numbers 1-5. Can you find 5 of the same objects e.g. 5 spoons? What can you find 4 of? Can you represent 3 using objects from around your home?

Words to investigate

**nest owl bird
branch tree feather**

Talk about what these words mean together. Practise saying the words. Model using the words in a sentence and ask your children to have a go.

Phonics

Explore the initial sounds of different objects. Can you find different objects which start with the sound 'm'? (repeat with 'a', 's' and 't')
