

Foundation - Maths home learning.

Week Commencing	Concept	Day 1	Day 2	Day 3	Day 4
Week 12/10	<p>Number To practise counting amounts to 5 To practise forming numerals to 5</p> <p>Shape, space and Measurement To use the language of measurement.</p> <ul style="list-style-type: none"> - Tall and short - Heavy and light 	<p>Practise counting different sets of items. Remember to place them in a line and touch each item once whilst saying one number after the other.</p> <p>You could count: Sweets/ pennies/ toys.</p>	<p>Practise writing numerals to 5.</p> <p>Start by tracing over your grown ups</p>	<p>Give your child a selection of bricks and practise making tall and short towers. Use the language "tall" and "short."</p> <p>(If you do not have bricks available boxes or tins will work just as well.</p>	<p>Give your child a selection of heavy and light objects. Explore how they feel when they are picked up, use the language "heavy" and "light"</p> <p>Ideas of objects: bag of sugar or flour, carton of milk, pennies etc.</p>

In addition to this, spend some time every day practicing counting and recognising numerals to 10. By the end of Foundation 1 the expectation is that children can rote count to 10, recognise and count amounts to 5.
