

EYFS TALK newsletter

Foundation 2

WC 31.10.22

This term we are learning all about 'Senses and Celebrations'.

Over the next fortnight will be going on an Autumn walk around school and discussing the changes we can see, touch, smell and hear. Our special books will be 'Peace at Last' and 'Whatever Next!'.

Maths

If you haven't already, log onto Seesaw and have a go at the pumpkin counting activity. Use the ten-frames to represent the numbers 1-5. Can you find your own ways of representing 5?

Words to investigate

Autumn season
senses celebration
Bonfire Night Diwali

Talk about what these words mean together. Practise saying the words. Model using the words in a sentence and ask your children to have a go.

Phonics

Use the phoneme mats in your home-learning diaries to play fastest finger. Say a sound and see how quickly your child can point to the correct phoneme.
