Autumn 2 2022 Newsletter
Class: 1G and 1M

Huntingdon Academy

An overview of the theme Celebrations.

This half-term, our Year 1 theme is Festivals and Celebrations. We will be learning to recall a celebration we have taken part in. We will explore different types of festivals and celebrations while discovering their purposes.

English Your child will learn and practise:	**Composition** - Handwriting (ascenders and descenders, letter formation) -Phonics (phonetically plausible strategies, high frequency words) -Capital letters and full stops. **Unit Work GVPS** - Adjectives -Sentence formation - Suffix –ed. -Conjunction; and -Orally rehearse sentences -Re-read to check for mistakes -Sequence sentences to form short narrative **Spelling** -Spell some high frequency words **Reading** -Respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes, including, where applicable, alternative sounds for graphemes - Practise reading books aloud that are consistent with their developing phonic knowledge and that do not require them to use other strategies to work out words -Develop pleasure in reading, motivation to read, vocabulary and understanding by: listening to and discussing a wide range of poems, stories and non-fiction at a level beyond that of which they can read independently -Understand both the books they can already read accurately and fluently and those they listen to by drawing on what they already know or on background information and vocabulary provided by the teacher
Mathematics Your child will learn and practise:	**Number - Addition and Subtraction** **-**Read, write and interpret mathematical statements involving addition, subtraction, equals and signs. -To represent and use number bonds and related subtraction facts within 10 -Add and subtract 1 digit numbers to 10 including zero. -Solve 1 step problems that involve addition and subtraction using concrete objects and pictorial representations and missing number problems **Shape** To recognise and name common 2d and 3d shapes **Place value to 20** -Count to and across from 20 forwards and backwards beginning with 0 or 1 or from any given number -Count, read and write numbers in numerals -Given a number identify one more and one less -Identify and represent numbers using objects and pectoral representations including the number line and use the language equal to, more than, less than, fewer, most and least. -Read and write in numerals and words. -Count in 2, 5 and 10s

1G P.E	*Mondays* *(Please wear school P.E kit and suitable footwear).*

outfit' for a celebration of their choice. Visit to a local place of religious interest- Christmas workshop experience 5th December.	*1M P.E*	*Thursdays* *(Please wear school P.E kit and suitable footwear).*

How Can You Help?

Please read with your child at least 3 times a week. In school, we will also read with your child and we will encourage them to change their reading book regularly.

We will continue to use Seesaw to involve you in your child's learning journey at school. We aim to capture special moments in which your child is showing off what they have learned. If you can capture any of these moments at home, please share them to Seesaw as we would love to celebrate them in school too! Please let the class teacher know if you require login details to this platform.

Other

We value the support of all parents and carers. If you feel that you can help in any way with the work we are covering then please let us know or if you would like any further information regarding this term's curriculum please do not hesitate to contact school. Thank you.
