WHAT IS EQUALITY?

understanding that everyone is different
but that we are all people

knowing that everyone has the right to be
treated fairly

treating others with respect

IS IT FAIR?

- Was not allowed to go to school as she was a girl!

WITH
EQUALITY.

IS IT FAIR?

- Rosa Parks was expected to stand on the bus because of her colour-she stood up for her right to be treated equally!

AT SCHOOL WE TREAT EVERYONE FAIRLY.

Remember, **equality** is when we make sure that everyone is treated **fairly**. It does not mean that everyone has to be treated the same.

What does equality look like in our school?

How do grown-ups make sure that you are treated fairly?

WHAT IF...?

What if you fall and hurt your knee and the teacher gives everyone in the class a bandage for their knee to make it fair?

Is this right?

Is this fair?

Does equality always mean that everyone has be treated the same?

WHAT IF...?

What if your classmates are jumping rope in P.E. and your teacher says that only children with brown hair can have a turn?

Is this right?

Is this fair?

What could the teacher do to treat the students more fairly?

WHAT THINGS MAKE US DIFFERENT?

Look around the room at your friends.

We all

Can you think of anything else that makes us the same?

What do you think she is telling us with this quote?

“When I see you through my eyes,
I think that we are different.”

“When I see you through my heart,
I know we are the same.”
