<u>Visits and Visitors</u>	<u>Reminders</u>	
Visit to the St Anns allotments	Swimming	5L on Wednesday afternoons. Return to school 3.15pm.
	PE	50 on Tuesdays
	Spelling test	Friday

How Can You Help?

Please listen to your child read as often as possible (at least 3 times a week) Being a good reader means having good comprehension. We want children to be encouraged to read so they establish a real love of books.

Please help them to learn their spellings and times tables at home each week as being fluent in these will help all aspects of their maths and English work.

Please log on to Seesaw and encourage your child to manage their time in completing their theme or topic homework which is a task that we give the children half a term to complete. .

Other

Tables- TT Rockstars is the website that the children use to practice their tables. Both speed and accuracy is important and they will improve both through regular practice.

Spellings- these are being practiced at school will also be put onto Seesaw and they will be tested every Friday. We encourage children to look for the spelling patterns on words.

Topic-There will be a theme or project which the children have the half term to complete. The children take real pride in these and they are celebrated and displayed in school, so please encourage your child to take their time and produce a project that they can be proud of.

We value the support of all parents and carers. If you feel that you can help in any way with the work we are covering then please let us know or if you would like any further information regarding this term's curriculum please do not hesitate to contact school. Thank you.
Ms Vaughan and Mr Lord
